MY HOBBIES

My main hobby is cycling. I have a passion for motor sport. I used to race go-karts and bikes. I like most sports.

GOALS AND AMBITIONS

My goal is and always was to be part of a big team and to work with my team to work towards reaching my team's highest potential.

I want to race overseas and race for a pro-tour team one day.

ABOUT ME:

I met Jacque Fullard and from there on he told me about is cycling career. This inspired me a lot. I participated in Mountain biking for about two months and then Jacques told me that he wanted to take me to the track (pilditch). From then I was interested in road cycling and have been pursuing road cycling since.
